

Driver Information Form

Pack 61 - Flemington, NJ

In asking you to supply us with information regarding your means of transportation only makes life simpler for your den and pack leaders. This information will be kept on file at BSA Council and will not be shared with anyone else.

Having this information on file will expedite our Tour Permits (which provides coverage under BSA supplemental insurance coverage). Completing this form does *not* imply you will be a driver every trip, nor does it imply you have to drive your vehicle on any outing. Please do *not* drive any children but your own on a pack event, under any circumstances, without filling out this information.

Thank you.
